Warner Robins High School Graduation Band

Greetings from WRHS! It's been a great year and we are all looking forward to some much needed R&R. The band has 1 more MAJOR performance before the year can be done. GRADUATION!

The graduation band at WRHS is composed of the Symphonic Band and any student that is being promoted into the Symphonic Band for the following year. This performance is absolutely critical. All of our graduates deserve to have the best band possible at their commencement exercise. We will play for our largest crowd ever this year.

It is a tradition at WRHS to have the graduating band members come back to play one last time. Let's make this graduation band the best yet. Juniors, this will be you next year!

Due to traffic concerns, especially parking, the band will be riding 1 bus to graduation this year. **Students wishing to ride home with their legal guardians MUST sign out with the directors!**
